CALL for PAPERS

for the

11th FIW-Research Conference
'International Economics'
29-30 November 2018

OBJECTIVES

The Research Centre International Economics - FIW announces its 11th ResearchConference 'International Economics' on 29-30 November 2018 and invites the submission of (full) working papers to be presented at the conference.

The main objective of the conference is to provide a platform for economists working in the field of 'International Economics' in Austria and its neighbouring countries to present recent research. Papers from Ph.D. students, post-graduate students, young faculty members and young researchers in similar positions are particularly welcome as the conference aims to support and encourage young economists by providing an opportunity to present their work.

Keynote Lecture: Rolf J. Langhammer (Ifw Kiel)

"The Multilateral Trading Order under Stress: Tendencies, Triggers and Therapies"
